Dear Jack,

My schedule is shaping up for a brief visit in Monterey in early August. I'll arrive on the weekend of the 5th-6th; I'll be in Monterey all day on the 7th, and leave on the 8th. Following up on our conversation of last February, I would be happy to sit down with you and any group that you select to talk curriculum or other matters at your convenience on the 7th. Wish there were more flexibility that I could offer, but that's the only working day I will be in town.

All the best.

Yours,

STANSFIELD TURNER
